

Bay of Fundy Experience

We've been exploring the Bay of Fundy as a family since 1942. Now it's our turn to give you the kind of holiday that we hope you'll treasure for years to come.

Your Anchor in the Bay of Fundy

Imagine waking up and hearing the Ocean just beyond your window as the highest tides on the planet surge into the Bay of Fundy, nurturing a coastal landscape millions of years in the making.

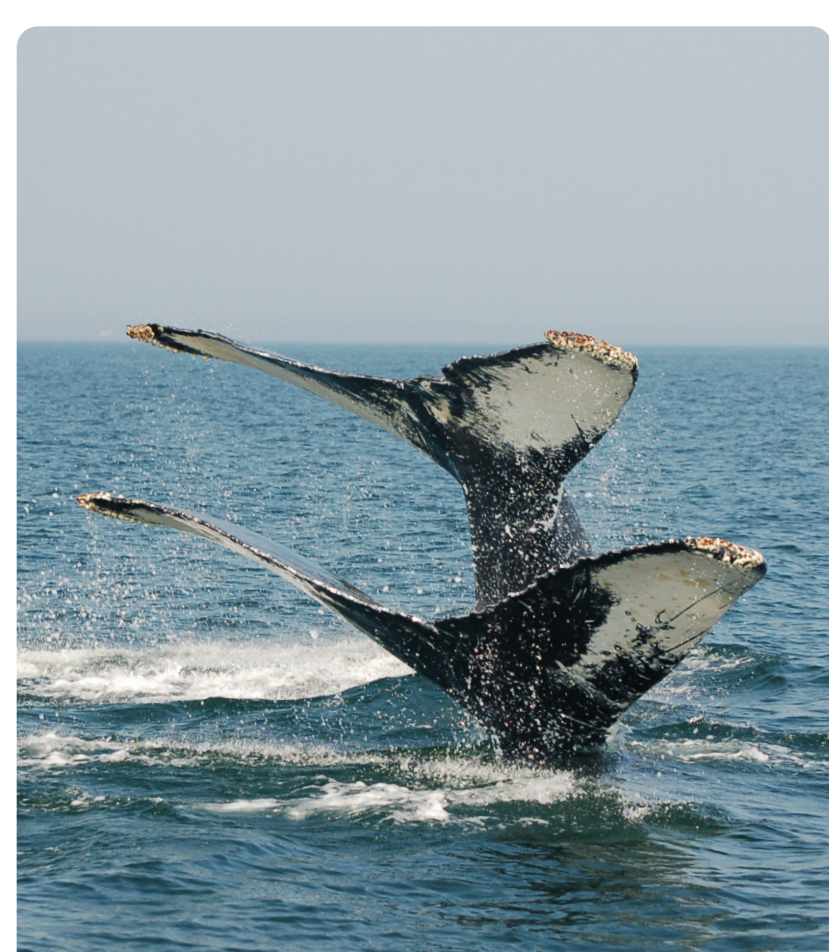

After a five-star breakfast, you spend your day exploring the shipbuilding history of St. Martins, passing through picturesque covered bridges as you savour the endless views from red sandstone cliffs. Each afternoon offers thrilling new discoveries filled with the tidal wonders of Atlantic Canada, balanced with just the right amount of rest and relaxation. In the evenings, savour the taste of the sea lovingly prepared by our Chef, then sit by the fire as you watch the stars overhead.

There's magic here, and we can't wait to share it with you. The best part is there's nothing you have to do, except arrive.

Stories from the Sea

For guests who choose our Bay of Fundy Experience, we've created an exclusive program that brings together a little maritime lore, music, food and fire on the breathtaking cliffs of St. Martins. This activity is a unique guided experience by an experienced local lobster fisherman who will share stories of our maritime past as you taste, smell, and immerse yourself in this special Bay of Fundy activity.

Our Red Seal Chef, Nick Shaw, will create a fresh-from-the-sea meal you'll remember fondly for years to come paired with wines that draw out the local flavours of our region. We are also happy to accommodate any food preferences you may have. After dinner, wander over to one of our fire pits, sit back and enjoy the stars.

“Waking up at the Beach Street Inn was an experience I'll cherish for life. The hosts were gracious, helpful, and knew the area like the experts they are—everything was thought of and taken care of so all I had to do was focus on was exploring the Bay of Fundy, St. Martins, and having a once-in-a-lifetime holiday. Amazing food, service, and ambience. Don't miss this opportunity to fill your Bay of Fundy passport—you won't regret it.”
